

Make your advertisements stand out by using your brand colours and vibe. We can assist should you need help with a design.

HOW TO ADVERTISE WITH US

Register your profile with us and log in to www.mechhousetrader.com. Once logged in, fill out the form with your details and contact information. Choose the advert space you're interested in, then create an artwork that meets the specifications of that space.

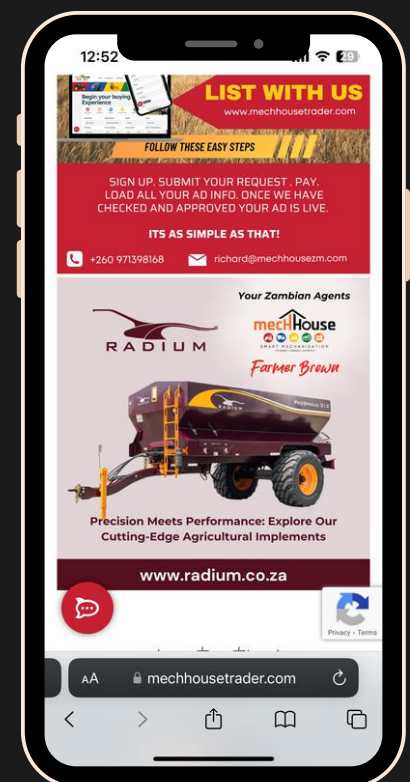

If you need assistance with creating the advert, we can provide design services at an additional cost. Ensure that your advert is relevant to the niche and of high quality.

The artwork must be in **JPEG format, under 2MB**, and within the specified pixel dimensions. After submission, our moderators will review your advert and approve or deny it based on the provided content. Once approved, your advert will go **live!**
