HOW TO LIST WITH US

Register a profile with us and login to www.mechhousetrader.com.
Populate the form with your **information** and **contact details**.

You can select what kind of item you would like to list. You will be sent to a page that has the open field for you to fill in.

We need as much information as you can provide such as:

-Horse Power

-Hours

-Model Number

-Specs of the machine

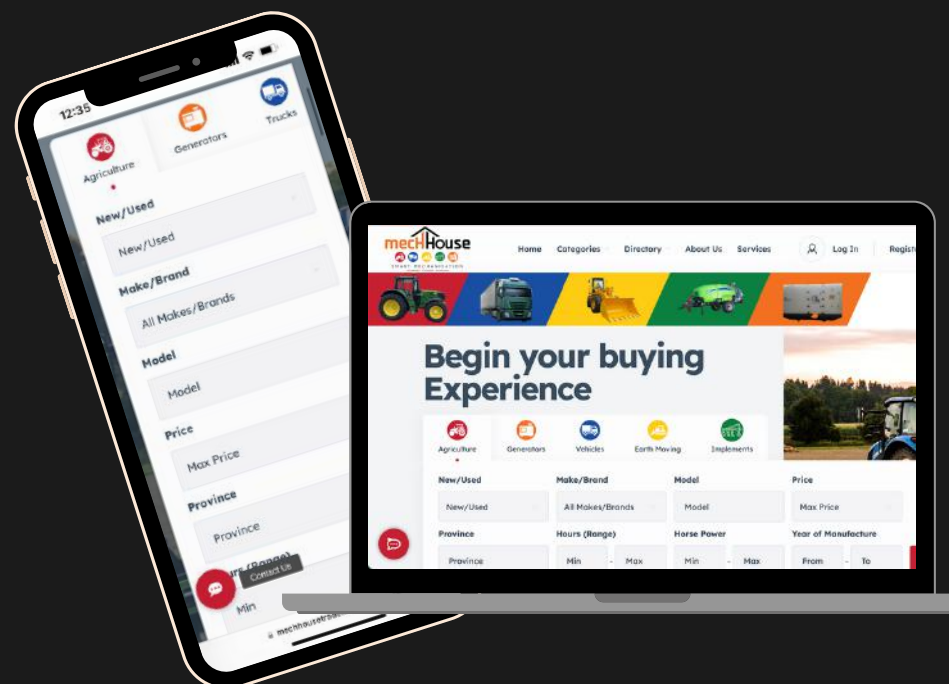

and **high quality images in a JPEG format that is under 2MB large**

(the field will highlight in red should your image be too big)

Submit your listing request and our moderators will check and either approve or deny your request based on the images and information provided. And then your listing will be **LIVE**
