

The logo should be 400px x 400px (or square with some white space around the edges)

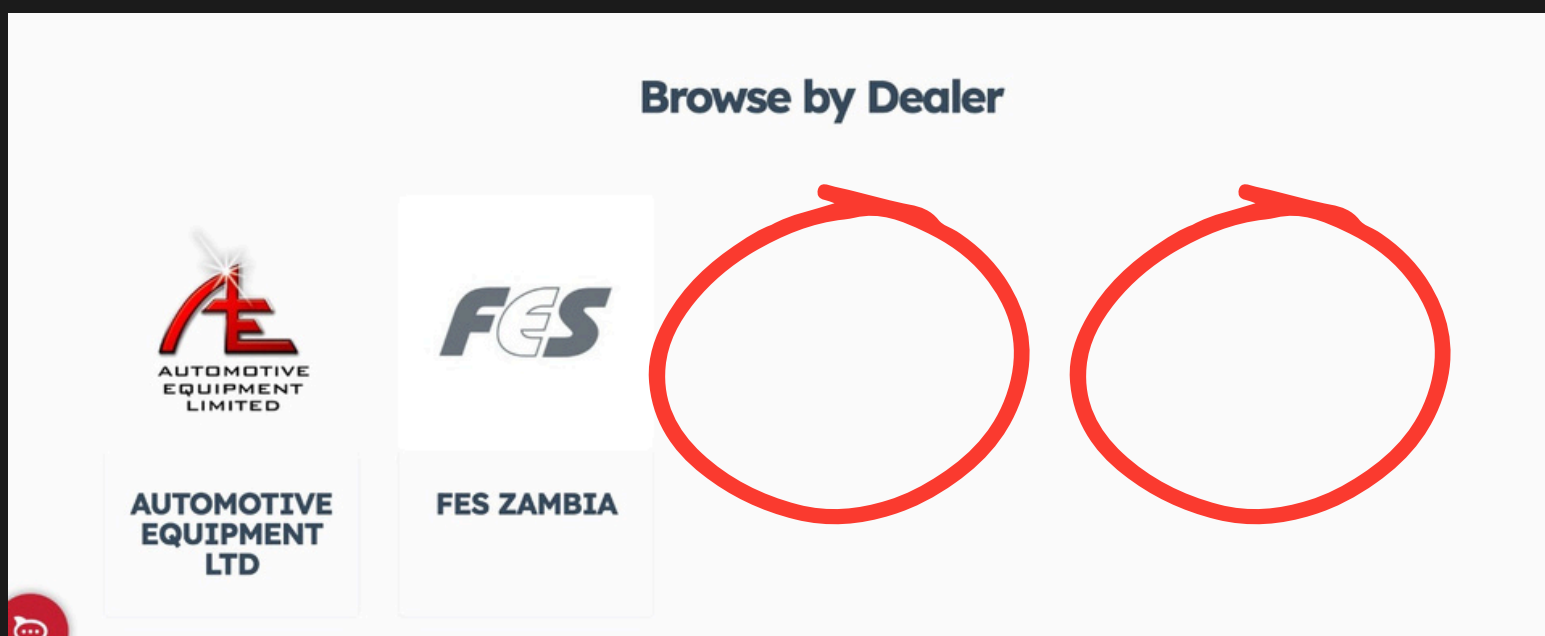

## DEALER HOW TO : SET UP & START POSTING

After registering as a dealer, check your email for the registration confirmation link. **Click on the link** to open your logged-in profile. Navigate to the settings and complete your profile details, including **uploading your logo**.

The logo should be **400px x 400px** (or square with some white space around the edges).

Once you've filled in your profile and uploaded your logo, we'll review and approve it, making your profile go **live** on the homepage.

**ONCE THIS IS ALL DONE IT'S TIME TO START POSTING YOUR LISTINGS!**
